

uMngeni-uThukela Water Bursary Programme 2025

All enquires must be directed to the Talent and Organizational Development Office at 033 341 1093

Closing date: 31 May 2025

Opportunities exist for dynamic and ambitious university students with the potential to achieve relevant, academic, theoretical technical expertise in their studies. Are you looking to further your studies but lack the funding to do so? Do you have strong previous year/s schooling academic records which you have maintained throughout the year and you are a current student who cannot afford to continue paying for your studies, then you qualify to apply for bursary award at uMngeni-uThukela Water.

uMngeni-uThukela Water hereby invites applications from students for the Bursary Programme for the 2025 academic year. Accepted students to the programme must have completed the first academic year of study. The bursaries are offered to students in the 2nd, 3rd, or 4th year of study. They should be South African citizens studying on a full -time basis at a recognized tertiary institution in South Africa. Successful students are expected to enter into a bursary contract with uMngeni-uThukela Water. The agreement contains all general provisions related to the Bursary Programme, which is primarily aimed at developing professional engineers and scientists.

Kindly note that first preference will be given to students whose permanent place of residence is within KwaZulu-Natal Province. The prospective student must be studying towards on the identified field of study.

The Bursary covers tuition, registration, meals and accommodation, prescribed text books and stationery.

The application form is obtainable from uMngeni-uThukela Water website under Careers section <http://umngeni-uthukela.co.za/> and the Institution's Bursary Office. Clear certified copies and the supporting documentation should be submitted directly to graduaterecruitment@uuw.co.za
