

KZN PROCESS CONTROLLER DAY

18-19 MAY 2026

 DURBAN INTERNATIONAL CONVENTION CENTRE (ICC)

THEME:

Empowered Process Controllers – Guardians of Our Water Future
Celebrating the Backbone of Water and Wastewater Treatment

ABOUT THE EVENT

The Process Controller Day Event and Awards is an initiative aimed at recognising and empowering Process Controllers who play a critical role in safeguarding water quality and ensuring reliable water and wastewater treatment operations.

This event provides a platform for knowledge sharing, professional development, and collaboration among Process Controllers across the water sector.

WHY PROCESS CONTROLLERS MATTER

Process Controllers are the frontline custodians of water quality, ensuring that treatment processes operate efficiently to protect public health, the environment, and the sustainability of water services.

THEIR WORK SUPPORTS:

- Safe drinking water supply
- Effective wastewater treatment
- Environmental protection
- Compliance with national water regulations

KEY FOCUS AREAS

- Water and Wastewater Treatment Process Optimisation
- Knowledge Sharing and Problem Solving
- Professional Development Opportunities
- Compliance with Regulation 3630
- Sector Collaboration and Innovation

OBJECTIVES OF THE EVENT

- Provide a platform for Process Controllers to collaborate and solve operational challenges
- Raise awareness of sector challenges and sustainable treatment solutions
- Promote understanding of Regulation 3630 requirements
- Encourage professionalisation of Process Controllers
- Recognise and celebrate excellence in Process Control

These objectives support strengthening water treatment facilities and improving sector resilience.
Motivation for Process Control.

EVENT HIGHLIGHTS

1. Process Controller Excellence Awards
2. Technical Workshops and Knowledge Exchange
3. Sector Collaboration and Networking
4. Regulation 3630 Awareness and Compliance Discussions

WHO SHOULD ATTEND

- Process Controllers, Supervisors
- Water and Wastewater Professionals,
- Young Professionals in Water and Sanitation
- Industry Stakeholders

Let Us Celebrate the Professionals Who Keep Our Water Safe
Recognising Skill, Dedication, and Excellence in Water and Waste Water Process Control.
